*Counted Cross-stitch is a popular needlework which creates lovely pictures with embroidery floss. Char Slaby, who worked for several years as a Fair Board member and a volunteer in Open Class, was an expert at Counted Cross-stitch and entered her art in our fair and the State Fair. Char has passed away and her family has donated one of her beautiful pieces to us here at the fair. This picture is to be raffled off at the same time as the above quilt. You may purchase raffle tickets for this and the quilt at the fair. Drawing to be at 8pm Saturday, August 14 in the Expo Center*

*This photo of the art piece doesn't do it justice. One must see it in person to really appreciate the expertise involved. Char earned Grand Champion on this for the 1989 Cass County Fair.*
